GRAPHIC DESIGNER

www.mldtw.com

M1/DTW is a multi-disciplinary design studio in Detroit, MI. M1 approaches design from a holistic perspective combining traditional graphic design with architectural and two dimensional design projects. Working at M1 was truly a beneficial learning experience. Working in a small studio like M1 helped me to develop an understanding of the inner workings of a design studio, and business, which continue to serve me well as I move forward in my career.
